

Dear Pasquale,

Feb. 21, 2008

Thank you once again for your letter. You made a very remarkable point about seeking God first. The interesting thing is, that is my new year resolution (Matt. 6:33). And it is awesome how you reaffirm the exact same thing.

Like you rightly said the enemy would love nothing more than to bring doubt, confusion and despair, not forgetting the fact that He is always prowling around like a roaring lion looking for someone to devour. (1 Peter 5:8).

But He cannot separate us from the love of Christ. In all these hardships I am more than a conqueror through Christ who loves me. (Rom. 8:35-37).

Your letter encourages me every day and I love it.

I haven't actually met the guy from Reality Church yet. I don't know if he is scheduled to preach in our unit. I will look for him if he comes to minister to us.

Please ask God to continue to strengthen me in faith and also continue to reveal His heart to me.

Thank you for your support Mr. Pasquale.

God bless you in all your endeavors.

Yours sincerely,

Eric Frimpong
